## SENATE BILL No. 198

A BILL FOR AN ACT to amend the Indiana Code concerning pensions.

*Be it enacted by the General Assembly of the State of Indiana:*

1       SECTION 1. IC 36-8-6-8, AS AMENDED BY P.L.118-2000,  
2       SECTION 4, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE  
3       JULY 1, 2002]: Sec. 8. (a) For a member who became disabled before  
4       July 1, 2000, the 1925 fund shall be used to pay a pension in a sum  
5       determined by the local board, but not exceeding:  
6               (1) for a disability or disease occurring before July 1, 1982, fifty  
7               percent (50%); and  
8               (2) for a disability or disease occurring after June 30, 1982,  
9               fifty-five percent (55%);  
10       of the salary of a first class patrolman, to a member of the police  
11       department who has suffered or contracted a mental or physical disease  
12       or disability that renders ~~him~~ **the member** unable to perform the  
13       essential functions of any duty in the police department, considering  
14       reasonable accommodation to the extent required by the Americans  
15       with Disabilities Act. If a member who becomes eligible for a disability  
16       pension has more than twenty (20) years of service, ~~he~~ **the member** is  
17       entitled to receive a disability pension equal to the pension ~~he~~ **the**

1 **member** would have received if ~~he~~ **the member** had retired on the date  
2 of the disability.

3 (b) Except as otherwise provided in this subsection, for a member  
4 who becomes disabled after June 30, 2000, the 1925 fund shall be used  
5 to pay a pension in a sum determined by the local board, but not  
6 exceeding fifty-five percent (55%) of the salary of a first class  
7 patrolman, to a member of the police department who has suffered or  
8 contracted a mental or physical disease or disability:

9 (1) that is:

10 (A) the direct result of:

11 (i) a personal injury that occurs while the fund member is on  
12 duty;

13 (ii) a personal injury that occurs while the fund member is  
14 off duty and is responding to an offense or a reported  
15 offense, in the case of a police officer; or

16 (iii) an occupational disease (as defined in IC 22-3-7-10),  
17 including a duty related disease that is also included within  
18 clause (B); or

19 (B) a duty related disease (for purposes of this section, a "duty  
20 related disease" means a disease arising out of the fund  
21 member's employment; a disease is considered to arise out of  
22 the fund member's employment if it is apparent to the rational  
23 mind, upon consideration of all of the circumstances, that:

24 (i) there is a connection between the conditions under which  
25 the fund member's duties are performed and the disease;

26 (ii) the disease can be seen to have followed as a natural  
27 incident of the fund member's duties as a result of the  
28 exposure occasioned by the nature of the fund member's  
29 duties; and

30 (iii) the disease can be traced to the fund member's  
31 employment as the proximate cause); and

32 (2) that renders the member unable to perform the essential  
33 functions of any duty in the police department, considering  
34 reasonable accommodation to the extent required by the  
35 Americans with Disabilities Act.

36 If a member who becomes eligible for a disability pension has more  
37 than twenty (20) years of service, the member is entitled to receive a  
38 disability pension equal to the pension the member would have  
39 received if the member had retired on the date of the disability.

40 (c) Except as otherwise provided in this subsection, for a member  
41 who becomes disabled after June 30, 2000, the 1925 fund shall be used  
42 to pay a pension in a sum determined by the local board, but not

1 exceeding fifty-five percent (55%) of the salary of a first class  
 2 patrolman, to a member of the police department who has suffered or  
 3 contracted a mental or physical disease or disability:

4 (1) that is not described in subsection (b)(1); and

5 (2) that renders the member unable to perform the essential  
 6 functions of any duty in the police department, considering  
 7 reasonable accommodation to the extent required by the  
 8 Americans with Disabilities Act.

9 If a member who becomes eligible for a disability pension has more  
 10 than twenty (20) years of service, the member is entitled to receive a  
 11 disability pension equal to the pension the member would have  
 12 received if the member had retired on the date of the disability.

13 (d) The member must have retired from active service after a  
 14 physical examination by the police surgeon or another surgeon  
 15 appointed by the local board. The disability must be determined solely  
 16 by the local board after the examination and a hearing conducted under  
 17 IC 36-8-8-12.7. A member shall be retained on active duty with full pay  
 18 until ~~he~~ **the member** is retired by the local board because of the  
 19 disability.

20 (e) After a member has been retired upon pension, the local board  
 21 may, at any time, require the retired member to again be examined by  
 22 the police surgeon or another surgeon appointed by the local board.  
 23 After the examination the local board shall conduct a hearing under  
 24 IC 36-8-8-12.7 to determine whether the disability still exists and  
 25 whether the retired member should remain on the pension roll. The  
 26 retired member shall be retained on the pension roll until reinstated in  
 27 the service of the police department, except in case of resignation. If  
 28 after the examination and hearing the retired member is found to have  
 29 recovered from ~~his~~ **the member's** disability and to be again fit for  
 30 active duty, then the member shall be put on active duty with full pay  
 31 and from that time is no longer entitled to payments from the 1925  
 32 fund. If the member fails or refuses to return to active duty, ~~he~~ **the**  
 33 **member** waives all rights to further benefits from the 1925 fund.

34 (f) If the salary of a first class patrolman is increased or decreased,  
 35 the pension payable shall be proportionately increased or decreased.  
 36 However, the monthly pension payable to a member or survivor may  
 37 not be reduced below:

38 (1) the amount of the first full monthly pension received by that  
 39 person; or

40 (2) fifty-five percent (55%) of the salary of a first class patrolman;  
 41 whichever is greater.

42 (g) Time spent receiving disability benefits is considered active

1 service for the purpose of determining retirement benefits until the  
2 member has a total of twenty (20) years of service.

3 (h) A fund member who is receiving disability benefits under this  
4 chapter shall be transferred from disability to regular retirement status  
5 when the member becomes fifty-five (55) years of age.

6 **(i) Notwithstanding subsection (a), (b), or (c), for a member who**  
7 **becomes disabled after June 30, 2002, the 1925 fund shall be used**  
8 **to pay a pension, in the sum of seventy-five percent (75%) of the**  
9 **salary of a first class patrolman, to a member of the police**  
10 **department who has suffered a disabling cancer or heart condition**  
11 **that:**

12 **(1) develops and manifests itself while the member is in the**  
13 **service of the police department;**

14 **(2) may be caused by:**

15 **(A) exposure to heat, radiation, or a known or suspected**  
16 **carcinogen; or**

17 **(B) the physical stresses of the member's duties; and**

18 **(3) renders the member unable to perform the member's**  
19 **duties in the police department, considering reasonable**  
20 **accommodation to the extent required by the Americans with**  
21 **Disabilities Act.**

22 SECTION 2. IC 36-8-6-10.1, AS AMENDED BY P.L.118-2000,  
23 SECTION 9, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE  
24 JULY 1, 2002]: Sec. 10.1. (a) This section applies to a member who  
25 dies in the line of duty after August 31, 1982.

26 (b) The surviving spouse is entitled to a monthly benefit, during the  
27 spouse's lifetime, equal to the benefit to which the member would have  
28 been entitled on the date of the member's death, but no less than fifty  
29 percent (50%) of the monthly wage received by a first class patrolman.  
30 If the surviving spouse remarried before September 1, 1983, and  
31 benefits ceased on the date of remarriage, the benefits for the surviving  
32 spouse shall be reinstated on July 1, 1997, and continue during the life  
33 of the surviving spouse.

34 (c) A payment shall also be made to each child of a deceased  
35 member less than eighteen (18) years of age, in an amount fixed by  
36 ordinance, but at least an amount equal to twenty percent (20%) of the  
37 monthly pay of a first class patrolman per month to each child:

38 **(1) until the child becomes eighteen (18) years of age;**

39 **(2) until the child becomes twenty-three (23) years of age if the**  
40 **child is enrolled in and regularly attending a secondary school or**  
41 **is a full-time student at an accredited college or university; or**

42 **(3) during the entire period of the child's physical or mental**

disability;  
whichever period is longer.

(d) The surviving children of the deceased member who are eligible to receive a benefit under subsection (c) may receive an additional benefit in an amount fixed by ordinance, but the total additional benefit under this subsection to all the member's children may not exceed a total of thirty percent (30%) of the monthly wage received by a first class patrolman. However, this limitation does not apply to the children of a member who are physically or mentally disabled.

(e) If a deceased member leaves no surviving spouse and no child who qualifies for benefits under subsection (c) but does leave a dependent parent or parents, an amount equal to twenty percent (20%) of the monthly pay of a first class patrolman per month from the time of the member's death shall be paid to the dependent parent or parents during their dependency. When both parents survive, the total amount is still twenty percent (20%), to be paid to them jointly. In all cases of payment to a dependent relative of a deceased member, the board is the final judge of the question of necessity and dependency and of the amount to be paid. The board may also reduce or terminate temporarily or permanently a payment to a dependent relative of a deceased member when it determines that the condition of the fund or other circumstances make this action necessary.

(f) If the salary of a first class patrolman is increased or decreased, the pension payable under this section shall be proportionately increased or decreased. However, the monthly pension payable to a member or survivor may not be reduced below the amount of the first full monthly pension received by that person.

(g) For purposes of this section, "dies in the line of duty" means death that occurs as a direct result of personal injury or illness resulting from:

(1) any action that the member in the member's capacity as a police officer:

(1) (A) is obligated or authorized by rule, regulation, condition of employment or service, or law to perform; or

(2) (B) performs in the course of controlling or reducing crime or enforcing the criminal law; or

(2) cancer or a heart condition that:

(A) develops and manifests itself while the member is in the service of the police department; and

(B) may be caused by:

(i) exposure to heat, radiation, or a known or suspected carcinogen; or

**(ii) the physical stresses of the member's duties.**

SECTION 3. IC 36-8-7-11, AS AMENDED BY P.L.246-2001, SECTION 14, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2002]: Sec. 11. (a) Benefits paid under this section are subject to section 2.5 of this chapter.

(b) If a member of the fire department becomes seventy (70) years of age or is found upon examination by a medical officer to be physically or mentally disabled and unable to perform the essential functions of the job, considering reasonable accommodation to the extent required by the Americans with Disabilities Act, so as to make necessary ~~his~~ **the member's** retirement from all service with the department, the local board shall retire the person.

(c) The local board may retire a person for disability only after a hearing conducted under IC 36-8-8-12.7.

(d) If after the hearing the local board determines that a person who became disabled before July 1, 2000, is disabled and unable to perform the essential functions of the job, considering reasonable accommodation to the extent required by the Americans with Disabilities Act, the local board shall then authorize the monthly payment to the person from the 1937 fund of an amount equal to fifty-five percent (55%) of the salary of a fully paid first class firefighter in the unit at the time of the payment of the pension. All physical and mental examinations of members of the fire department shall be made on order of the local board by a medical officer designated by the local board.

(e) If after the hearing under this section and a recommendation under section 12.5 of this chapter, the 1977 fund advisory committee determines that a person who becomes disabled after June 30, 2000:

(1) has a disability that is:

(A) the direct result of:

(i) a personal injury that occurs while the fund member is on duty;

(ii) a personal injury that occurs while the fund member is responding to an emergency or reported emergency for which the fund member is trained; or

(iii) an occupational disease (as defined in IC 22-3-7-10), including a duty related disease that is also included within clause (B); or

(B) a duty related disease (for purposes of this section, a "duty related disease" means a disease arising out of the fund member's employment; a disease is considered to arise out of the fund member's employment if it is apparent to the rational

mind, upon consideration of all of the circumstances, that:

(i) there is a connection between the conditions under which the fund member's duties are performed and the disease;

(ii) the disease can be seen to have followed as a natural incident of the fund member's duties as a result of the exposure occasioned by the nature of the fund member's duties; and

(iii) the disease can be traced to the fund member's employment as the proximate cause); and

(2) is unable to perform the essential functions of the job, considering reasonable accommodation to the extent required by the Americans with Disabilities Act;

the local board shall then authorize the monthly payment to the person from the 1937 fund of an amount equal to fifty-five percent (55%) of the salary of a fully paid first class firefighter in the unit at the time of the payment of the pension. All physical and mental examinations of members of the fire department shall be made on order of the local board by a medical officer designated by the local board.

(f) If after the hearing under this section and a recommendation under section 12.5 of this chapter, the 1977 fund advisory committee determines that a person who becomes disabled after June 30, 2000:

(1) has a disability that is not a disability described in subsection (e)(1); and

(2) is unable to perform the essential functions of the job, considering reasonable accommodation to the extent required by the Americans with Disabilities Act;

the local board shall then authorize the monthly payment to the person from the 1937 fund of an amount equal to fifty-five percent (55%) of the salary of a fully paid first class firefighter in the unit at the time of the payment of the pension. All physical and mental examinations of members of the fire department shall be made on order of the local board by a medical officer designated by the local board.

**(g) Notwithstanding subsections (d), (e), and (f), if, after a hearing under this section, the local board determines that a person who becomes disabled after June 30, 2002, has suffered a disabling cancer or heart condition that:**

**(1) develops and manifests itself while the member is in the service of the fire department;**

**(2) may be caused by:**

**(A) exposure to heat, radiation, or a known or suspected carcinogen; or**

**(B) the physical stresses of the member's duties; and**

**(3) renders the member unable to perform the member's duties in the fire department, considering reasonable accommodation to the extent required by the Americans with Disabilities Act;**

**the local board shall authorize the monthly payment to the person from the 1937 fund of an amount equal to seventy-five percent (75%) of the salary of a fully paid first class firefighter in the unit at the time of the payment of the pension. All physical and mental examinations of members of the fire department shall be made on order of the local board by a medical officer designated by the local board.**

SECTION 4. IC 36-8-7-12.4, AS ADDED BY P.L.118-2000, SECTION 14, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2002]: Sec. 12.4. (a) This section applies to an active member who dies in the line of duty after August 31, 1982.

(b) If a member dies in the line of duty after August 31, 1982, the surviving spouse is entitled to a monthly benefit, during the spouse's lifetime, equal to the benefit to which the member would have been entitled on the date of the member's death, but not less than fifty percent (50%) of the monthly wage received by a fully paid first class firefighter. If the spouse remarried before September 1, 1983, and benefits ceased on the date of remarriage, the benefits for the surviving spouse shall be reinstated on July 1, 1997, and continue during the life of the surviving spouse. If the pension of the surviving spouse of a deceased member has ceased by virtue of the spouse's remarriage, and if the person to whom the spouse has remarried was a retired member of the fire department who was also entitled to a pension, then upon the death of the member to whom the spouse had remarried, the spouse is entitled to receive a pension as the surviving spouse of a deceased member as though the spouse had not been remarried.

(c) If a member dies while in active service, the member's children who are:

- (1) less than eighteen (18) years of age; or
- (2) less than twenty-three (23) years of age if the children are enrolled in and regularly attending a secondary school or are full-time students at an accredited college or university;

are each entitled to receive an amount fixed by ordinance but not less than twenty percent (20%) of the salary of a fully paid first class firefighter in the unit at the time of the payment of the pension.

(d) The surviving children of the deceased member who are eligible to receive a benefit under subsection (c) may receive an additional benefit in an amount fixed by ordinance, but the total additional benefit

C  
o  
p

under this subsection to all the member's children may not exceed a total of thirty percent (30%) of the monthly wage received by a first class firefighter. However, this limitation does not apply to the children of a member who are physically or mentally disabled.

(e) If a deceased member of the fire department leaves no surviving spouse or children but leaves a dependent parent, and upon satisfactory proof that the parent was wholly dependent upon the deceased member, the local board shall authorize the monthly payment to the parent from the 1937 fund. Each parent of a deceased member who was eligible for a pension under this subsection is entitled to receive jointly an amount equal to thirty percent (30%) of the salary of a fully paid first class firefighter in the unit at the time of the payment of the pension.

(f) For purposes of this section, "dies in the line of duty" means death that occurs as a direct result of personal injury or illness resulting from:

(1) any action that the member, in the member's capacity as a firefighter:

(1) ~~(A)~~ (A) is obligated or authorized by rule, regulation, condition of employment or service, or law to perform; or

(2) ~~(B)~~ (B) performs while on the scene of an emergency run (including false alarms) or on the way to or from the scene; or

(2) **cancer or a heart condition that:**

(A) **develops and manifests itself while the member is in the service of the fire department; and**

(B) **may be caused by:**

(i) **exposure to heat, radiation, or a known or suspected carcinogen; or**

(ii) **the physical stresses of the member's duties.**

(g) If the local board finds upon the submission of satisfactory proof that a child eighteen (18) years of age or older is mentally or physically incapacitated, is not a ward of the state, and is not receiving a benefit under subsection (c)(2), the child is entitled to receive the same amount as is paid to the surviving spouse of a deceased firefighter, as long as the mental or physical incapacity continues. A sum paid for the benefit of a child or children shall be paid to the remaining parent, if alive, as long as the child or children reside with and are supported by the parent. If the parent dies, the sum shall be paid to the lawful guardian of the child or children.

(h) The monthly pension payable to a survivor may not be reduced below the amount of the first full monthly pension received by that person.

(i) A benefit payable under this section shall be paid in not less than

twelve (12) monthly installments.

SECTION 5. IC 36-8-7.5-13, AS AMENDED BY P.L.246-2001, SECTION 15, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2002]: Sec. 13. (a) For a member who becomes disabled before July 1, 2000, the 1953 fund shall be used to pay a pension in an annual sum equal to:

(1) fifty percent (50%) for a disease or disability occurring before July 1, 1991; and

(2) fifty-five percent (55%) for a disease or disability occurring after June 30, 1991;

of the salary of a first class patrolman in the police department, computed and payable as prescribed by section 12(b) of this chapter, to an active member of the police department who has been in active service for more than one (1) year and who has suffered or contracted a mental or physical disease or disability that renders the member permanently unfit for active duty in the police department, or to an active member of the police department who has been in active service for less than one (1) year who has suffered or received personal injury from violent external causes while in the actual discharge of ~~his~~ **the member's** duties as a police officer. The pensions provided for in this subsection shall be paid only so long as the member of the police department remains unfit for active duty in the police department.

(b) For a member who becomes disabled after June 30, 2000, the 1953 fund shall be used to pay a pension in an annual sum equal to fifty-five percent (55%) of the salary of a first class patrolman in the police department, computed on an annual basis and payable in twelve (12) equal monthly installments, to an active member of the police department who:

(1) has suffered or incurred a disability that renders the member permanently unfit for active duty in the police department and that is:

(A) the direct result of:

(ii) a personal injury that occurs while the fund member is off duty and is responding to an offense or a reported offense; or

(iii) an occupational disease (as defined in IC 22-3-7-10), including a duty related disease that is also included within clause (B); or

(B) a duty related disease (for purposes of this section, a "duty related disease" means a disease arising out of the fund

(ii) the disease can be seen to have followed as a natural incident of the fund member's duties as a result of the exposure occasioned by the nature of the fund member's duties; and

(2) is unable to perform the essential functions of the job, considering reasonable accommodation to the extent required by the Americans with Disabilities Act.

The pensions provided for in this subsection shall be paid only so long as the member of the police department remains unfit for active duty in the police department. If the salary of a first class patrolman is increased or decreased, the pension payable shall be proportionately increased or decreased. However, the monthly pension payable to a member or survivor may not be reduced below the amount of the first full monthly pension received by that person.

(c) For a member who becomes disabled after June 30, 2000, the 1953 fund shall be used to pay a pension in an annual sum equal to fifty-five percent (55%) of the salary of a first class patrolman in the police department, computed on an annual basis and payable in twelve (12) equal monthly installments, to an active member of the police department who has been in active service for at least one (1) year and:

(1) has suffered or incurred a disability that:

 2 equal to thirty percent (30%) of the salary of a first class patrolman in  
 3 the police department, computed and payable as prescribed by section  
 4 12(a) of this chapter, to an active member of the police department who  
 5 has been in active service for more than one (1) year and who has  
 6 suffered any physical or mental disability that renders the member  
 7 temporarily or permanently unable to perform ~~his~~ **the member's** duties  
 8 as a member of the police department, or to an active member of the  
 9 police department who has been in active service for less than one (1)

 28 offense, in the case of a police officer; or

29 (iii) an occupational disease (as defined in IC 22-3-7-10),  
 30 including a duty related disease that is also included within  
 31 clause (B); or

32 (B) a duty related disease (for purposes of this section, a "duty  
 33 related disease" means a disease arising out of the fund  
 34 member's employment; a disease is considered to arise out of  
 35 the fund member's employment if it is apparent to the rational  
 36 mind, upon consideration of all of the circumstances, that:

37 (i) there is a connection between the conditions under which  
 38 the fund member's duties are performed and the disease;

39 (ii) the disease can be seen to have followed as a natural  
 40 incident of the fund member's duties as a result of the  
 41 exposure occasioned by the nature of the fund member's  
 42 duties; and

- 1 (iii) the disease can be traced to the fund member's  
 2 employment as the proximate cause); and  
 3 (2) is unable to perform the essential functions of the job,  
 4 considering reasonable accommodation to the extent required by  
 5 the Americans with Disabilities Act.

6 The pension provided in this subsection shall be paid only so long as  
 7 the member of the police department remains unfit for active duty in  
 8 the police department. If the salary of a first class patrolman is  
 9 increased or decreased, the pension payable shall be proportionately  
 10 increased or decreased. However, the monthly pension payable to a  
 11 member or survivor may not be reduced below the amount of the first  
 12 full monthly pension received by that person.

13 (f) For a member who becomes disabled after June 30, 2000, the  
 14 1953 fund shall be used to pay temporary benefits in an annual sum  
 15 equal to thirty percent (30%) of the salary of a first class patrolman in  
 16 the police department, computed on an annual basis and payable in  
 17 twelve (12) equal monthly installments, to an active member of the  
 18 police department:

- 19 (1) who has been in active service for at least one (1) year;  
 20 (2) suffers or incurs a disability that:  
 21 (A) renders the member temporarily unfit for active duty in the  
 22 police department; and  
 23 (B) is not described in subsection (e)(1); and  
 24 (3) is unable to perform the essential functions of the job,  
 25 considering reasonable accommodation to the extent required by  
 26 the Americans with Disabilities Act.

27 The pension provided for in this subsection shall be paid only so long  
 28 as the member of the police department remains unfit for active duty  
 29 in the police department. If the salary of a first class patrolman is  
 30 increased or decreased, the pension payable shall be proportionately  
 31 increased or decreased. However, the monthly pension payable to a  
 32 member or survivor may not be reduced below the amount of the first  
 33 full monthly pension received by that person.

34 (g) If an application is made by an active member of the police  
 35 department because of physical or mental disability for temporary  
 36 benefits as provided in subsection (d), (e), or (f), the benefit is not  
 37 payable until the local board determines after a hearing conducted  
 38 under IC 36-8-8-12.7 that the member is unfit for active duty on the  
 39 police department, considering reasonable accommodation to the  
 40 extent required by the Americans with Disabilities Act. Before the  
 41 hearing, a physician to be appointed by the local board shall examine  
 42 the member and certify in writing whether in ~~his~~ **the physician's**

1 opinion the member is unfit, physically or mentally, for active duty in  
 2 the police department. After the pension or benefit has been granted by  
 3 the local board, the payment commences with the original date of the  
 4 injury or illness causing the disability.

5 (h) A member who has been granted a disability benefit under this  
 6 section and who fails or refuses to submit to a physical examination at  
 7 any time by the local board physician has no right in the future to  
 8 receive the disability benefit, and any benefit that has been granted  
 9 shall be immediately canceled by the local board.

10 (i) The local board may, from time to time, require a member of the  
 11 police department who is receiving at any time disability benefits or  
 12 pensions as provided in this section to be examined by the physician  
 13 appointed by the local board. After the examination, the local board  
 14 shall conduct a hearing under IC 36-8-8-12.7 to determine whether the  
 15 disability still exists and whether the member should continue to  
 16 receive the pension or benefit. If after the examination and hearing the  
 17 member is found to have recovered from his disability and is fit for  
 18 active duty on the police department, then upon written notice to the  
 19 member by the local board, the member shall be reinstated in active  
 20 service, the safety board shall be informed of the action of the local  
 21 board, and from that time the member is no longer entitled to payments  
 22 from the 1953 fund. If the member fails or refuses to return to active  
 23 duty after ordered by the local board, ~~he~~ **the member** ceases to be a  
 24 member of the 1953 fund and waives all rights to any further pensions  
 25 or benefits provided by the 1953 fund.

26 (j) Notwithstanding any other provision of this chapter, no disability  
 27 benefit may be paid for any disability based upon or caused by any  
 28 mental or physical condition that a member had at the time ~~he~~ **the**  
 29 **member** entered or reentered ~~his~~ active service in the police  
 30 department.

31 (k) If a member who is receiving disability benefits under  
 32 subsection (a), (b), or (c) for a disease or disability occurring after June  
 33 30, 1991, is transferred from disability to regular retirement status, the  
 34 member's monthly pension may not be reduced below fifty-five percent  
 35 (55%) of the salary of a first class patrolman at the time of payment of  
 36 the pension.

37 (l) To the extent required by the Americans with Disabilities Act,  
 38 the transcripts, reports, records, and other material compiled to  
 39 determine the existence of a disability shall be:

- 40 (1) kept in separate medical files for each member; and
- 41 (2) treated as confidential medical records.

42 (m) A fund member who is receiving disability benefits under this

chapter shall be transferred from disability to regular retirement status when the member becomes fifty-five (55) years of age.

**(n) Notwithstanding subsections (a) through (f), for a member who becomes disabled after June 30, 2002, the 1953 fund shall be used to pay a pension in the sum of seventy-five percent (75%) of the salary of a first class patrolman, to a member of the police department who has suffered a disabling cancer or heart condition that:**

**(1) develops and manifests itself while the member is in the service of the police department;**

**(2) may be caused by:**

**(A) exposure to heat, radiation, or a known or suspected carcinogen; or**

**(B) the physical stresses of the member's duties; and**

**(3) renders the member unable to perform the member's duties in the police department, considering reasonable accommodation to the extent required by the Americans with Disabilities Act.**

**The pension provided for in this subsection shall be paid only as long as the member of the police department remains unfit for active duty in the police department. If the salary of a first class patrolman is increased or decreased, the pension payable shall be proportionately increased or decreased. However, the monthly pension payable to a member or survivor may not be reduced below the amount of the first full monthly pension received by that person.**

**(b) If a member dies in the line of duty after August 31, 1982, the surviving spouse is entitled to a monthly benefit, during the spouse's lifetime, equal to the benefit to which the member would have been entitled on the date of the member's death, but not less than fifty percent (50%) of the monthly wage received by a first class patrolman. If the spouse remarried before September 1, 1983, benefits ceased on the date of remarriage. However, if a member of the police department dies in the line of duty after August 31, 1982, and the member's surviving spouse remarried before September 1, 1983, the benefits for the surviving spouse shall be reinstated on July 1, 1995, and continue during the life of the surviving spouse.**

1 twenty percent (20%) of the salary of a first class patrolman on the  
 2 police department, computed as provided in section 12(b) of this  
 3 chapter and payable in monthly installments, to each dependent child  
 4 of a member of the fund who dies from any cause while in the actual  
 5 discharge of duties as a police officer. The pension to each child  
 6 continues:

- 7 (1) until the child becomes eighteen (18) years of age;
- 8 (2) until the child becomes twenty-three (23) years of age if the  
 9 child is enrolled in and regularly attending a secondary school or  
 10 is a full-time student at an accredited college or university; or
- 11 (3) during the entire period of the child's physical or mental  
 12 disability;

13 whichever period is longest. However, the pension to the child ceases  
 14 if the child marries or is legally adopted by any person.

15 (d) The surviving children of the deceased member who are eligible  
 16 to receive a benefit under subsection (c) may receive an additional  
 17 benefit in an amount fixed by ordinance, but the total benefit to all the  
 18 member's children under this subsection may not exceed a total of  
 19 thirty percent (30%) of the monthly wage received by a first class  
 20 patrolman. However, this limitation does not apply to the children of  
 21 a member who are physically or mentally disabled.

22 (e) If a deceased member leaves no surviving spouse and no child  
 23 who qualifies for a benefit under subsection (c) but does leave a  
 24 dependent parent or parents, the 1953 fund shall be used to pay an  
 25 annuity not greater than a sum equal to twenty percent (20%) of the  
 26 salary of a first class patrolman on the police department, computed  
 27 and payable as provided in section 12(b) of this chapter, payable  
 28 monthly to the dependent parent or parents of a member of the police  
 29 department who dies from any cause while in the actual discharge of  
 30 duties as a police officer. The annuity continues for the remainder of  
 31 the life or lives of the parent or parents as long as either or both fail to  
 32 have sufficient other income for their proper care, maintenance, and  
 33 support.

34 (f) In all cases of payment to a dependent relative of a deceased  
 35 member, the local board is the final judge of the question of necessity  
 36 and dependency and of the amount within the stated limits to be paid.  
 37 The local board may also reduce or terminate temporarily or  
 38 permanently a payment to a dependent relative of a deceased member  
 39 when it determines that the condition of the 1953 fund or other  
 40 circumstances make this action necessary.

41 (g) If the salary of a first class patrolman is increased or decreased,  
 42 the pension payable under this section shall be proportionately

increased or decreased. However, the monthly pension payable to a member or survivor may not be reduced below the amount of the first full monthly pension received by that person.

(h) For purposes of this section, "dies in the line of duty" means death that occurs as a direct result of personal injury or illness resulting from:

(1) any action that the member, in the member's capacity as a police officer:

(1) ~~(A)~~ is obligated or authorized by rule, regulation, condition of employment or service, or law to perform; or

(2) ~~(B)~~ performs in the course of controlling or reducing crime or enforcing the criminal law; or

(2) **cancer or a heart condition that:**

(A) **develops and manifests itself while the member is in the service of the police department; and**

(B) **may be caused by:**

(i) **exposure to heat, radiation, or a known or suspected carcinogen; or**

(ii) **the physical stresses of the member's duties.**

SECTION 7. IC 36-8-8-12.5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2002]: Sec. 12.5. (a) This section applies only to a fund member who:

(1) is hired for the first time after December 31, 1989;

(2) chooses coverage by this section and section 13.5 of this chapter under section 12.4 of this chapter; or

(3) is described in section 12.3(c)(2) of this chapter.

(b) At the same hearing where the determination of whether the fund member has a covered impairment is made, the local board shall determine the following:

(1) Whether the fund member has a Class 1 impairment. A Class 1 impairment is a covered impairment that is the direct result of one (1) or more of the following:

(A) A personal injury that occurs while the fund member is on duty.

(B) A personal injury that occurs while the fund member is off duty and is responding to:

(i) an offense or a reported offense, in the case of a police officer; or

(ii) an emergency or reported emergency for which the fund member is trained, in the case of a firefighter.

(C) An occupational disease (as defined in IC 22-3-7-10). A covered impairment that is included within this clause and

subdivision (2) shall be considered a Class 1 impairment.

**(D) Cancer or a heart condition that:**

- (i) develops and manifests itself while the fund member is in the service of the police or fire department; and**
- (ii) may be caused by exposure to heat, radiation, or a known or suspected carcinogen or the physical stresses of the fund member's duties.**

(2) Whether the fund member has a Class 2 impairment. A Class 2 impairment is a covered impairment that is a duty related disease. A duty related disease means a disease arising out of the fund member's employment. A disease shall be considered to arise out of the fund member's employment if it is apparent to the rational mind, upon consideration of all of the circumstances, that:

- (A) there is a connection between the conditions under which the fund member's duties are performed and the disease;
- (B) the disease can be seen to have followed as a natural incident of the fund member's duties as a result of the exposure occasioned by the nature of the fund member's duties; and
- (C) the disease can be traced to the fund member's employment as the proximate cause.

(3) Whether the fund member has a Class 3 impairment. A Class 3 impairment is a covered impairment that is not a Class 1 impairment or a Class 2 impairment.

SECTION 8. IC 36-8-8-13.5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2002]: Sec. 13.5. (a) This section applies only to a fund member who:

- (1) is hired for the first time after December 31, 1989;
- (2) chooses coverage by this section and section 12.5 of this chapter under section 12.4 of this chapter; or
- (3) is described in section 12.3(c)(2) of this chapter.

(b) A fund member who is determined to have a Class 1 impairment and for whom it is determined that there is no suitable and available work within the fund member's department, considering reasonable accommodation to the extent required by the Americans with Disabilities Act, is entitled to a monthly base benefit equal to forty-five percent (45%) of the monthly salary of a first class patrolman or firefighter in the year of the local board's determination of impairment. **However, a fund member who is determined to have a Class 1 impairment under section 12.5(b)(1)(D) of this chapter is entitled to receive a monthly base benefit in the amount of seventy-five percent (75%) of the monthly salary of a first class patrolman or**

**firefighter.**

(c) A fund member who is determined to have a Class 2 impairment and for whom it is determined that there is no suitable and available work within the fund member's department, considering reasonable accommodation to the extent required by the Americans with Disabilities Act, is entitled to a monthly base benefit equal to twenty-two percent (22%) of the monthly salary of a first class patrolman or firefighter in the year of the local board's determination of impairment plus one-half percent (0.5%) of that salary for each year of service, up to a maximum of thirty (30) years of service.

(d) For applicants hired before March 2, 1992, a fund member who is determined to have a Class 3 impairment and for whom it is determined that there is no suitable and available work within the fund member's department, considering reasonable accommodation to the extent required by the Americans with Disabilities Act, is entitled to a monthly base benefit equal to the product of the member's years of service (not to exceed thirty (30) years of service) multiplied by one percent (1%) of the monthly salary of a first class patrolman or firefighter in the year of the local board's determination of impairment.

(e) For applicants hired after March 1, 1992, or described in section 12.3(c)(2) of this chapter, a fund member who is determined to have a Class 3 impairment and for whom it is determined that there is no suitable and available work within the fund member's department, considering reasonable accommodation to the extent required by the Americans with Disabilities Act, is entitled to the following benefits instead of benefits provided under subsection (d):

(1) If the fund member did not have a Class 3 excludable condition under section 13.6 of this chapter at the time the fund member entered or reentered the fund, the fund member is entitled to a monthly base benefit equal to the product of the member's years of service, not to exceed thirty (30) years of service, multiplied by one percent (1%) of the monthly salary of a first class patrolman or firefighter in the year of the local board's determination of impairment.

(2) Except as provided in subdivision (5), a fund member is entitled to receive the benefits set forth in subdivision (1) if:

(A) the fund member had a Class 3 excludable condition under section 13.6 of this chapter at the time the fund member entered or reentered the fund;

(B) the fund member has a Class 3 impairment that is not related in any manner to the Class 3 excludable condition described in clause (A); and

- 1 (C) the Class 3 impairment described in clause (B) occurs after  
 2 the fund member has completed four (4) years of service with  
 3 the employer after the date the fund member entered or  
 4 reentered the fund.
- 5 (3) Except as provided in subdivision (5), a fund member is not  
 6 entitled to a monthly base benefit for a Class 3 impairment if:
- 7 (A) the fund member had a Class 3 excludable condition under  
 8 section 13.6 of this chapter at the time the fund member  
 9 entered or reentered the fund; and
- 10 (B) the Class 3 impairment occurs before the fund member has  
 11 completed four (4) years of service with the employer after the  
 12 date the fund member entered or reentered the fund.
- 13 (4) A fund member is not entitled to a monthly base benefit for a  
 14 Class 3 impairment if:
- 15 (A) the fund member had a Class 3 excludable condition under  
 16 section 13.6 of this chapter at the time the fund member  
 17 entered or reentered the fund; and
- 18 (B) the Class 3 impairment is related in any manner to the  
 19 Class 3 excludable condition.
- 20 (5) If, during the first four (4) years of service with the employer:
- 21 (A) a fund member with a Class 3 excludable condition is  
 22 determined to have a Class 3 impairment; and
- 23 (B) the Class 3 impairment is attributable to an accidental  
 24 injury that is not related in any manner to the fund member's  
 25 Class 3 excludable condition;
- 26 the member is entitled to receive the benefits provided in  
 27 subdivision (1) with respect to the accidental injury. For purposes  
 28 of this subdivision, the local board shall make the initial  
 29 determination of whether an impairment is attributable to an  
 30 accidental injury. The local board shall forward the initial  
 31 determination to the director of the PERF board for a final  
 32 determination by the PERF board or the PERF board's designee.
- 33 (f) If a fund member is entitled to a monthly base benefit under  
 34 subsection (b), (c), (d), or (e), the fund member is also entitled to a  
 35 monthly amount that is no less than ten percent (10%) and no greater  
 36 than forty-five percent (45%) of the monthly salary of a first class  
 37 patrolman or firefighter in the year of the local board's determination  
 38 of impairment. The additional monthly amount shall be determined by  
 39 the PERF medical authority based on the degree of impairment.
- 40 (g) Benefits for a Class 1 impairment are payable until the fund  
 41 member becomes fifty-two (52) years of age. Benefits for a Class 2 and  
 42 a Class 3 impairment are payable:

(1) for a period equal to the years of service of the member, if the member's total disability benefit is less than thirty percent (30%) of the monthly salary of a first class patrolman or firefighter in the year of the local board's determination of impairment and the member has fewer than four (4) years of service; or  
 (2) until the member becomes fifty-two (52) years of age if the member's benefit is:

(A) equal to or greater than thirty percent (30%) of the monthly salary of a first class patrolman or firefighter in the year of the local board's determination of impairment; or

(B) less than thirty percent (30%) of the monthly salary of a first class patrolman or firefighter in the year of the local board's determination of impairment if the member has at least four (4) years of service.

(h) Upon becoming fifty-two (52) years of age, a fund member with a Class 1 or Class 2 impairment is entitled to receive the retirement benefit payable to a fund member with:

(1) twenty (20) years of service; or

(2) the total years of service and salary, as of the year the member becomes fifty-two (52) years of age, that the fund member would have earned if the fund member had remained in active service until becoming fifty-two (52) years of age;

whichever is greater.

(i) Upon becoming fifty-two (52) years of age, a fund member who is receiving or has received a Class 3 impairment benefit that is:

(1) equal to or greater than thirty percent (30%) of the monthly salary of a first class patrolman or firefighter in the year of the local board's determination of impairment; or

(2) less than thirty percent (30%) of the monthly salary of a first class patrolman or firefighter in the year of the local board's determination of impairment if the member has at least four (4) years of service;

is entitled to receive the retirement benefit payable to a fund member with twenty (20) years of service.

(j) Notwithstanding section 12.3 of this chapter and any other provision of this section, a member who:

(1) has had a covered impairment;

(2) recovers and returns to active service with the department; and

(3) within two (2) years after returning to active service has an impairment that, except for section 12.3(b)(3) of this chapter, would be a covered impairment;

is entitled to the benefit under this subsection if the impairment

described in subdivision (3) results from the same condition or conditions (without an intervening circumstance) that caused the covered impairment described in subdivision (1). The member is entitled to receive the monthly disability benefit amount paid to the member at the time of the member's return to active service plus any adjustments under section 15 of this chapter that would have been applicable during the member's period of reemployment.

SECTION 9. IC 36-8-8-14.1, AS AMENDED BY P.L.118-2000, SECTION 28, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2002]: Sec. 14.1. (a) Benefits paid under this section are subject to section 2.5 of this chapter.

(b) This section applies to an active member who dies in the line of duty after August 31, 1982.

(c) If a fund member dies in the line of duty after August 31, 1982, the member's surviving spouse is entitled to a monthly benefit during the spouse's lifetime, equal to the benefit to which the member would have been entitled on the date of the member's death, but not less than the benefit payable to a member with twenty (20) years service at fifty-two (52) years of age. If the spouse remarried before September 1, 1983, and benefits ceased on the date of remarriage, the benefits for the surviving spouse shall be reinstated on July 1, 1997, and continue during the life of the surviving spouse.

(d) If a fund member dies in the line of duty, each of the member's surviving children is entitled to a monthly benefit equal to twenty percent (20%) of the fund member's monthly benefit:

- (1) until the child reaches eighteen (18) years of age; or
- (2) until the child reaches twenty-three (23) years of age if the child is enrolled in and regularly attending a secondary school or is a full-time student at an accredited college or university;

whichever period is longer. However, if the board finds upon the submission of satisfactory proof that a child who is at least eighteen (18) years of age is mentally or physically incapacitated, is not a ward of the state, and is not receiving a benefit under subdivision (2), the child is entitled to receive an amount each month that is equal to the greater of thirty percent (30%) of the monthly pay of a first class patrolman or first class firefighter or fifty-five percent (55%) of the monthly benefit the deceased member was receiving or was entitled to receive on the date of the member's death as long as the mental or physical incapacity of the child continues. Benefits paid for a child shall be paid to the surviving parent as long as the child resides with and is supported by the surviving parent. If the surviving parent dies, the benefits shall be paid to the legal guardian of the child.

(e) If there is no surviving eligible child or spouse, and there is proof satisfactory to the local board, subject to review in the manner specified in section 13.1(b) of this chapter, that the parent was wholly dependent on the fund member, the member's surviving parent is entitled, or both surviving parents if qualified are entitled jointly, to receive fifty percent (50%) of the fund member's monthly benefit during the parent's or parents' lifetime.

(f) If the fund member did not have at least twenty (20) years of service or was not at least fifty-two (52) years old, the benefit is computed as if the member:

- (1) did have twenty (20) years of service; and
- (2) was fifty-two (52) years of age.

(g) For purposes of this section, "dies in the line of duty" means death that occurs as a direct result of personal injury or illness resulting from:

- (1) any action that the member, in the member's capacity as a police officer:

- (A) is obligated or authorized by rule, regulation, condition of employment or service, or law to perform; or

- (B) performs in the course of controlling or reducing crime or enforcing the criminal law; ~~or~~

- (2) any action that the member, in the member's capacity as a firefighter:

- (A) is obligated or authorized by rule, regulation, condition of employment or service, or law to perform; or

- (B) performs while on the scene of an emergency run (including false alarms) or on the way to or from the scene; **or**

**(3) cancer or a heart condition that:**

- (A) develops and manifests itself while the member is in the service of the member's department; and

- (B) may be caused by:

- (i) exposure to heat, radiation, or a known or suspected carcinogen; or

- (ii) the physical stresses of the member's duties.
